

Project Ideas for Young People ages 14-18 (9-12th grade)

- Clean a polluted lake or river
- Research general information on political platforms and distribute it to peers
- Make a panel for the AIDS Quilt and give awareness presentations
- Help design a playground in an underprivileged neighborhood
- Volunteer as a candy striper in a hospital
- Hold a forum about racism to form possible community solutions
- Work as aides at group homes for adults with disabilities.
- Set up a peer counseling program
- Serve on boards for nonprofits that affect youth issues
- Develop water quality projects
